

## Media Fee Schedule

The collection media listed below under Miscellaneous and Passive Monitors is not included in the fee schedule price for the analysis. All media fees will be billed separately from analysis fees. Media are provided for SGS Galson clients related to our analytical service and are not available for sale independently. All media must be returned to SGS Galson for analysis. Media not listed in this document are provided free of charge for samples sent to SGS Galson for analysis. Collection media not returned within 30 days will be billed at SGS Galson media purchased cost. All fees in US Dollars.
